

Desktop computer

I'm sorry to ask but can you please get me an ALL-IN-ONE GAMING DESKTOP COMPUTER WITH A 2nd MONITOR SCREEN - PREFERABLY THE SCREENS - BOTH LARGER 1s because OF HOW BAD MY VISION IS GETTING - IT NEEDS TO HAVR THE BUILT-IN WEBCAM & CD/ROM DRIVE WITH AS FAST OF PROCESSOR AS POSSIBLE - THAT'S WHY THEY SAID THE GAMING KIND - BUT IF THERE'S A DIFFERENT KIND THATS AS FAST OR FASTER THAN THE GAMING 1 THAT'LL WORK TOO - ALSO I NEED EVERYTHING THAT CAN BE HARDWIRED TO THR ALL-IN-ONE GAMING DESKTOP COMPUTER - THE MOUSE & KEYBOARD (IF POSSIBLE THE KIND THAT IS DESIGN FOR SOMEONE WITH HAND ISSUES - THEY'RE MADE DIFFERENT AND ARE KINDA CURVED AND A BIT HIGHER FOR THE WRIST) AND THE HEADSET NEEDS TO BE HARDWIRED WITH NOISE CANCELLING THAT HAS A MIC AND WITH A MUTE OPTION HOPEFULLY COMFORTABLE. AND A PRINTER (SUPPOSED TO BE HARDWIRED AS WELL , BUT IF POSSIBLE HAS A WIRELESS PRINT FROM PHONE OPTION - BUT THE BLUETOOTH PRINT ISN'T A REQUIRED - IT JUST HAS TO BE AN ALL-IN-ONE FAST PRINT PRINTER - WITH THE PAPER & INK TO HAVE ON HAND AND READY. AND THE COMPUTER NEEDS TO HAVE A VIRUS/ MALWARE PROTECTION, MICROSOFT (HOME OR OFFICE)

++ BUT I KNOW EACH OF THE ITEMS I'M SAYING ARE REALLY EXPENSIVE, SO I'M ONLY ASKING BUT DON'T REALLY EXPECT IT BUT I JUST HAVE TO ASK SO THAT I CAN GET IT ALL SET-UP AND THEN I CAN GET SCHEDULE TO TALK TO MY SUPERVISOR AND GET STARTED SO I CAN AT LEAST HAVE SOME KIND OF INCOME AFTER TRAINING AGAIN.

+++ I HAVE A DESK WITH DRAWERS AND MADE BIG ENOUGH TO BE ABLE TO HOLD EVERYTHING II NEED ON HAND TO BE ABLE TO WORK BUT ITS IN STORAGE AND I'M NOT SURE IF THAT 1 WILL FIT IN HERE OR HOW IT COULD EVEN GET UP HERE. OR I HAVE THE SMALLER DESK IN STORAGE BUT IT'S STILL IN THE BOX AND NEEDS TO BE PUT TOGETHER BUT IT'S A SMALL 1 WITH NO DRAWERS THAT LOCK OR SPACE FOR 2ND MONITOR OR PRINTER. AND I LOVE MY BIG DESK BUT IT NEEDS SOME WORK AND NEEDS LOCKS PUT ON THE DRAWERS BECAUSE OF HIPPA PROTOCOLS, JUST LIKE MY FILING CABINETS (THE 1 I HAD THAT HAD LOCKS ON THE DRAWERS ON 1 SIDE AND HAS THE SAFE ON THE OTHER SIDE ABOVE THE SHELVES AND THE SAFE LOCKS AND THE DOOR THAT CLOSES TO HIDE THE SAFE AND SHELVES ALSO LOCKS. - I'M SURE THAT THE LOCKING FILING CABINET THAT I'M TELLING YOU ABOUT CAN BE FIXED , I JUST HAVE TO FIND SOMEONE TO FIX IT. BUT THAT TO IS IN STORAGE. ALSO THE FILING FOLDER STARTER SYSTEM FOR HANGING FILE FOLDERS THAT CAN BE INSTALLED IN A LOCKED FILE CABINET.

++ I UNDERSTAND THAT THESE THINGS ARE EXPENSIVE AND I'M ONLY ASKING SO THAT I CAN START DOING SOMETHING TO MAKE MY OWN MONEY AND ABLE TO NOT ASK FOR SO MUVH.

---- I'M NOT SAYING TO BUY ALL THIS DUE TO I KNOW HOW EXPENSIVE IT IS AND SINCE I HAVE TO GO THRU TRAINING AGAIN BECAUSE OF HOW LONG I HAVEN'T WORKED. AND LIKE I SAID I BELIEVE SOME OF THESE THINGS ARE IN STORAGE, IF I STILL HAVE MY STUFF IN THERE.

++++ PLUS WITH YOU LEAVING IN A FEW DAYS AND ME MAJORITY OF THE TIME ALONE AND ONLT >N BED ALL THE TIME DOING NOTHING WITH WHAT LIFE I HAVE LEFT. AT LEAST IF I WAS ABLE TO WORK I'D HAVE MY OWN INCOME AND SOMETHING TO DISTRACT ME AND KEEP ME FROM FALLING ASLEEP SO MUCH .AND OF COURSE IF YOU CAN GET WHAT I NEED TO GET STARTED I KNOW I'D NEED TO PAY YOU BACK AND

> WILL. BUT I KNOW IT'S EXPENSIVE SO I DON'T REALLY EXPECT ANYONE TO GET @NY OF IT & MIGHT HAVE TO JUST WAIT UNTIL I CAN GET ON MY OWN. BUT I HAVE TO SOMEHOW SEND CHARISSE SOMETHING FROM WHAT I OWE HER - BUT JOSH IS GOING TO ASK HIS MOM TO MAKE A PMT TO HER IF SHE CAN. BUT IDK No####No I'M SORRY FOR EVERYTHING

.
+++ MY OFFICE CHAIR THAT I HAD FROM SSA THAT WAS DESIGNED FOR SPINAL PROBLEMS & IT HAD THE MASSAGE, HEAT AND A FOOT REST ON IT, SSA HAD GIT IT FOR ME BUT THE CHAIR WAS STOLEN & I'M NOT EVEN SURE HOW MUCH THAT COST (I DIDN'T CHOOSE IT. SSA DECIDED AND GOT THE KIND RECOMMENDATION FOR SPINAL ISSUES AND HAD A TALL BACK SO MY HEAD AND NECK CAN BE SUPPORT IF I HAVE A SUDDEN SEIZURE AGAIN. IT ALSO HAD EXTRA ON IT BUT IT DOESN'T MATTER RN. I MIGHT HAVE LUGO'S OLD CHAIR IN STORAGE BUT IDK IF IT IS
