

# THE MOST AFFORDABLE, ALL-INCLUSIVE GROUP HEALTHCARE PLAN

## UNLIMITED VIRTUAL CARE + 200+ PRESCRIPTIONS FOR JUST \$20 PER EMPLOYEE!

### Why Employers Need This Plan

GO MD USA is transforming group healthcare—unlimited virtual doctor visits, 200+ essential medications, and seamless nationwide access for just \$20 per employee per month. No claims. No hidden costs. Just premium care at an unbeatable price.

### Key Healthcare Challenges for Employers & HR Teams:

- ✗ Soaring healthcare costs drain company profits, making coverage unsustainable.
- ✗ High deductibles & copays force employees to delay or skip medical care, lowering productivity.
- ✗ HR teams are overwhelmed by claims, approvals & endless paperwork.

## THE GO MD USA SOLUTION – ONLY

200+ Medications Delivered  
to Their Homes

Nationwide Coverage –  
No Network Restrictions

**Disclaimer:** This Group Health Plan is an **Excepted Benefit** under the ACA and does not meet **Minimum Essential Coverage (MEC)** requirements. It provides **direct access to outpatient services, including unlimited doctor consultations, prescription benefits, and select preventive care.**

This plan is a **cost-effective alternative to comprehensive health insurance but is not insurance.** It does not include hospital stays, emergency care, or lab testing. Benefits vary by state and are subject to plan terms. For full medical coverage, consider a qualified health insurance plan.

### HOW TO CONSULT WITH A DOCTOR

- ✓ **Store-and-Forward Technology** – Fill out a medical questionnaire, upload any records, and submit a video describing your condition. A licensed doctor will review the information and provide a treatment plan. No live consultation required!
- ✓ **Text-Based Consultations** – Secure chat messaging with licensed physicians.
- ✓ **Phone Consultations** – Speak with a doctor for personalized guidance.
- ✓ **Live Video Consultation** – Connect with a doctor in real time.
- ✓ **Sign Up in Minutes** – We Handle the Rest!
- ✦ **No Contracts, No Minimums** – Start with just 5 employees & scale anytime.
- ✓ **Instant Activation** – Employees can book a doctor visit within 24 hours.
- ✓ **Automated Prescription Fulfillment** – Medications delivered directly to employees.
- ✓ **No Claims, No Approvals, No Headaches** – We handle everything for HR teams.

### WHAT EMPLOYEES GET WITH GO MD USA

- ✓ **Immediate Access to Licensed Physicians** – No waiting rooms, no delays—just instant care when you need it.
- ✓ **Zero Out-of-Pocket Costs** – No copays, deductibles, surprise fees, or paperwork.
- ✓ **200+ Life-Improving Medications** – Free 90-day home delivery on chronic & acute medications.
- ✓ **Full Family Coverage** – Includes employees, spouses & up to 4 dependents under 23 at no extra cost.
- ✓ **Nationwide, 24/7 Access** – Ideal for remote workers, frequent travelers, and multi-state teams.

## ENROLL YOUR EMPLOYEES TODAY!

### LIMITED-TIME OFFER – GET STARTED NOW!

## WHY DO EMPLOYEES LOVE GO MD USA?

*Because it provides convenient access to healthcare from anywhere, with minimal wait times. Employees receive care quickly without missing work to visit a doctor's office or pharmacy.*

## COMPREHENSIVE VIRTUAL HEALTHCARE PACKAGE & FAQs

### Frequently Asked Questions (FAQs)

#### *What conditions do you treat?*

We offer treatments for weight loss, mental health, pain management, primary care, men's and women's health, and over 200 more conditions. Discover everything our plan covers! Visit [gomdusa.com/conditions](http://gomdusa.com/conditions) for a complete list.

#### *Do you offer weight loss medications like Ozempic or Mounjaro?*

We do not offer GLP-1-based weight loss medications due to high costs and side effects. Instead, we provide clinically proven, safer alternatives including:

- ✓ Metformin – Regulates blood sugar, supports weight loss.
- ✓ Topiramate (Topamax) – Reduces cravings and enhances fullness.
- ✓ Bupropion (Wellbutrin) – Boosts metabolism and curbs emotional eating.

#### *What if I need medication immediately?*

- ✓ Emergency Overnight Medications – Prescriptions can be sent for urgent needs.
- ✓ Local Pharmacy Pickup – If needed, prescriptions can be sent to a pharmacy of your choice.

Drug Formulary – Full List of Medications

To view the full list of over 200 prescription medications covered, visit [www.gomdusa.com/formulary](http://www.gomdusa.com/formulary).

Medications are included at no extra cost and delivered directly to your pharmacy.
